Big Cabal Media

Big Cabal Media (BCM) is a digital media company that leads the most engaging conversations around culture, innovation, entrepreneurship, entertainment and more today.

Through our content team of journos, content writers and video producers, we run two digital media publications (**Zikoko** and **TechCabal**) and a content studio that works with brands to create original text, image and video based content in a fresh and authentic voice to help brands connect meaningfully with Africa's young and growing digital audience.

We offer an array of advertiser friendly products through our media publications that can help various media buyers achieve their campaign targets.

Our Publications

TechCabal provides unparalleled insight into startups, innovation and technology in Africa to the most discerning entrepreneurs, investors, decision-makers and ecosystem members on and off the continent.

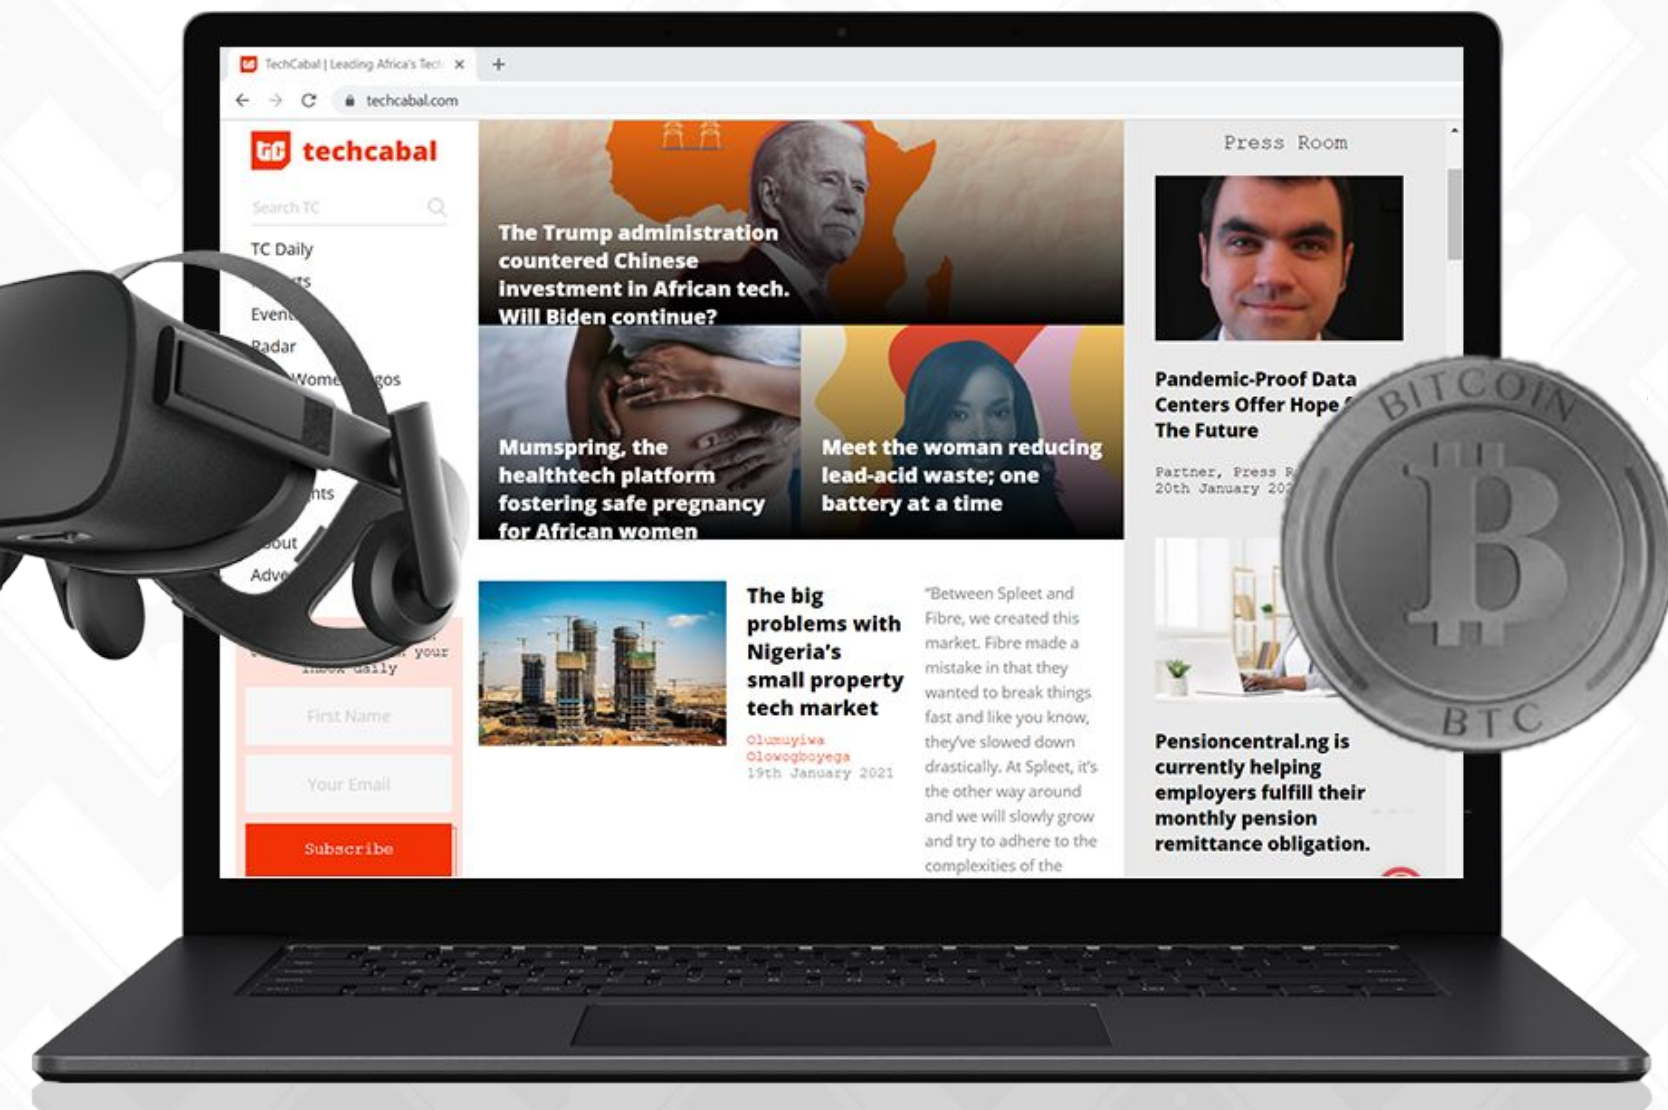

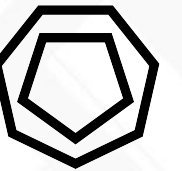

ZIKOKO

Zikoko creates timeless and original text, image, meme and video based content across a range of genres using the most relatable elements of Nigerian youth culture

TechCabal

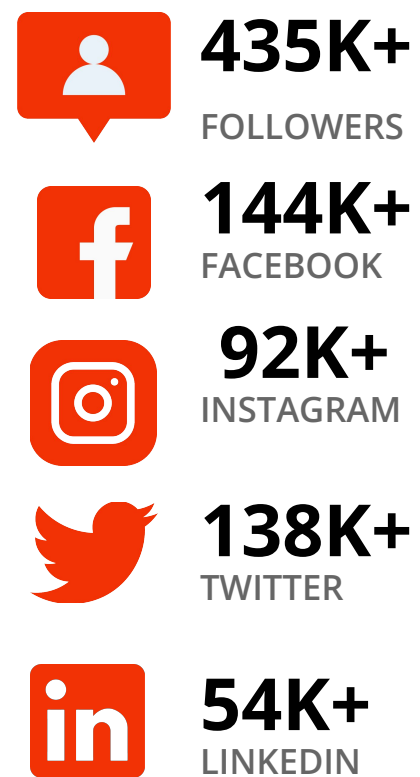

TechCabal covers the business, players and impact of tech in Africa; providing the context, reporting, data and events to help founders, CEOs, investors and other decision makers understand how tech is changing Africa.

Webinars, Event & Sector Report Sponsorship

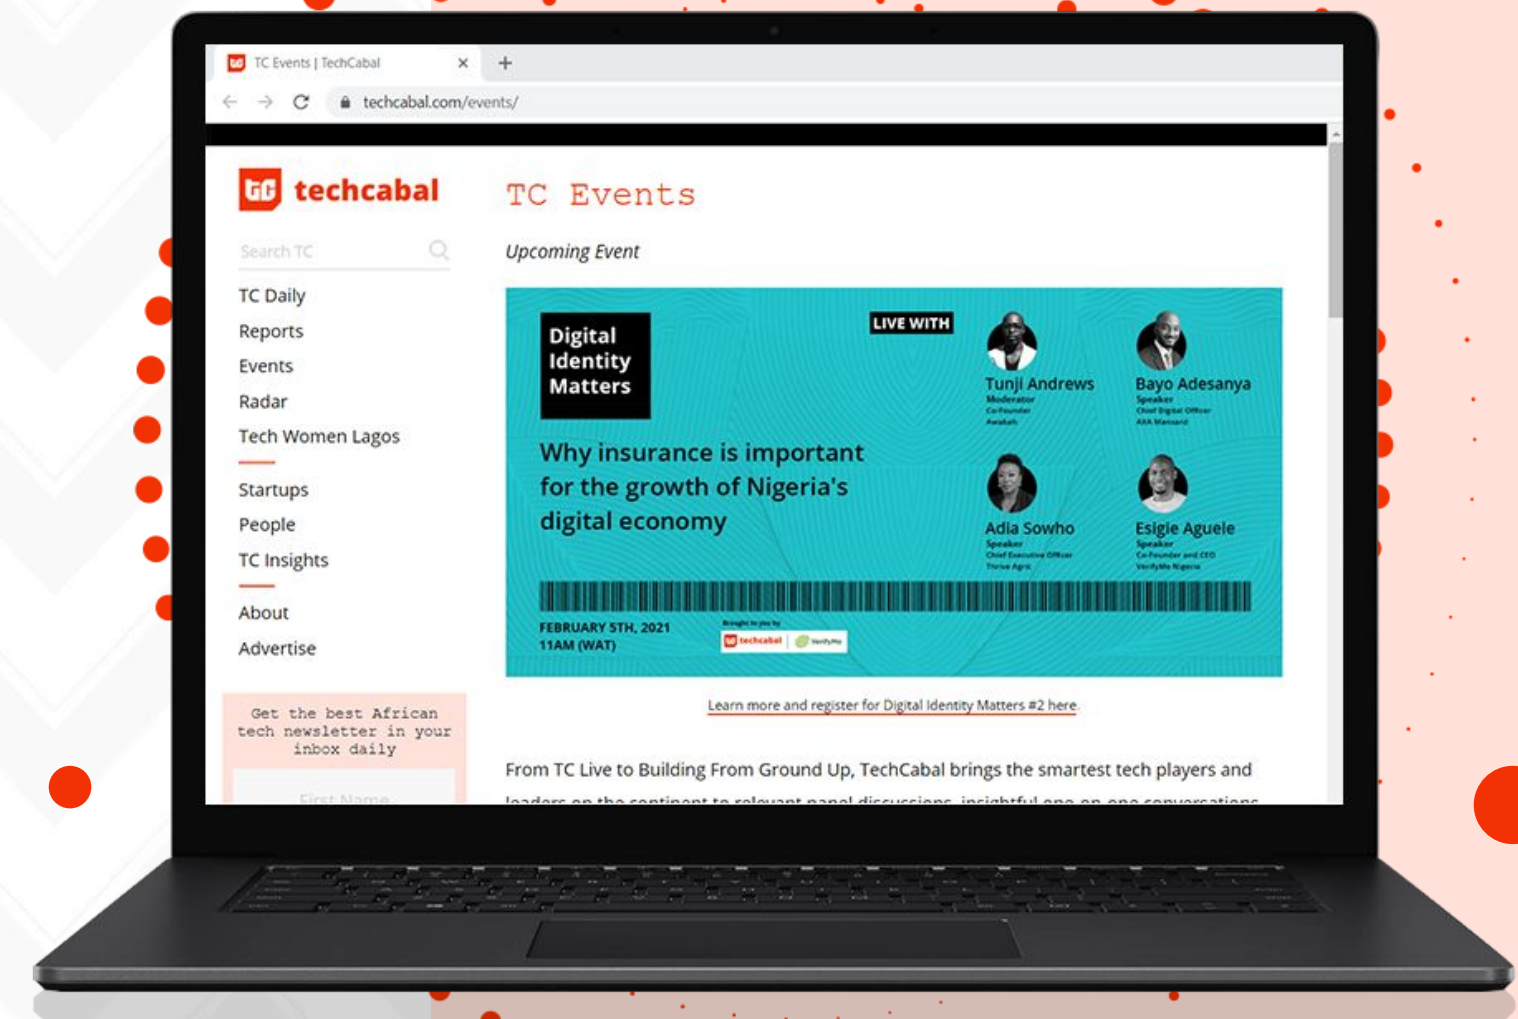

Our Town hall events and web conversations are themed talks that bring specific sector stakeholders together to discuss critical issues, define potential and put together proposals that policy makers can implement to support rapid growth. We have successfully organised Fintech, Healthtech, Renewable Energy and Edtech focused Town halls.

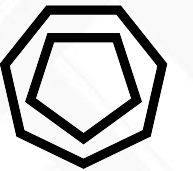

Our sector reports are deeply researched with in-depth analysis of the problems in the sector and the profile of innovative startups working to find tech solutions to these problems, along with other key data points.

These events present brands with the following visibility opportunities:

- Product exhibition and demo
- Premium networking with industry leaders and prospects
- Placements on all promotional materials for the event.

TC Live Sponsorship

Our TC Live webinar series is a virtual event series which features experienced players in Africa's tech ecosystem sharing insights and experiences about topical issues.

We start and drive thought provoking and important conversations about the African tech ecosystem through our TC live webinar series.

We have 2 sponsorship opportunities for this -

- Tier A - our clients get to brand an already outlined TC live event.
- Tier B - we co-create a TC live event to fit the client's proposed theme.

TC Insights - Services

CUSTOM RESEARCH AND STRATEGY CONSULTING

Tech Cabal works with clients to create industry reports that help them obtain actionable insights about a specific subject or sector. In certain instances, our clients are seeking to drive change in an industry by contributing to the body of knowledge. Our research engagements involve clients either commissioning us to develop a report or support an existing report we are processing.

INDUSTRY STRATEGY CONSULTING

Our team of topical experts use data-backed recommendations to formulate and guide the implementation of strategies that help organizations address their concerns as well as enable them to gain industry edge.

ORGANIZATIONAL POSITIONING

Through context-specific engagements, we are able to help position our clients as industry-leaders and demonstrated experts in their respective fields. We primarily do this through our thought leadership and event management (hosting virtual, physical or hybrid events) offerings.

Cabal Creative

Cabal Creative is a strategic communication, design and production studio that works with brands that wish to communicate with African audiences in fresh and engaging ways. The studio is a division of Big Cabal Media, which also publishes TechCabal and Zikoko.
